WALK-IN'S WELCOME!***

Is your little one starting Kindergarten this September and lacking the necessary vaccinations to required to start? Has your teen been suspended from high school due to lack of up-to-date immunizations? The Community Action Program for Children (CAPC) is hosting a **“Back to School” Immunization Clinic**. A Nurse Practitioner will provide children, who may not have a family doctor, the opportunity to receive an all-in-one Vaccination against : polio, tetanus, whooping cough and diphtheria.

Efforts will be made to update teens immunizations which will allow them re-entry into high school.

**For more information please call
